

**Garient Evans**  
**Vice President, Solution Services**

Garient Evans is the vice president of solution services at ID Analytics. He is responsible for the professional services, business analysis and client implementation functions to support the entire client lifecycle at ID Analytics. For several years, Evans was responsible for ID Analytics' fraud solutions, including the flagship ID Score with device authentication. Evans was formerly with Deloitte Consulting, concentrating on global financial services clients with a particular specialty in credit, collections, and pay-ments. Evans has 15 years of experience within the financial services industry. He holds a BA in communications and Spanish from the University of San Diego, and an MBA in finance from Duke University.
